### WANTED: MILDRED THE MOOSE

Milly has been spotted consistently right next to the Ranch House this week. With thick fur coats and long legs, the North American Moose is wonderfully adapted to cold temperatures and deep snow. Milly should be given lots of respect! Even though she appears docile and tame, moose can be aggressive when they feel threatened.

Have you seen Milly on property? Take a photo and email it to our concierge for a chance to have it featured in the next newsletter! Email photo entries to [cdoxsey@springcreek ranch.com](mailto:cdoxsey@springcreek ranch.com)
